Welcome by Dominic Waithe and introductions of attendees.

News from Neubias and other interesting things.

- IAFIG-RMS approved and active.
- Neubias conference and training (input from committee members).
- GBI/ELIXIR/EuBI/NEUBIAS hackathon.
- MMC2019, QBI.

Updates and discussion on previous actions:

- Dominic: Website (IAFIG-RMS.org) and mailing list (IAFIG-RMS@jiscmail.ac.uk)
 - What emails do you want to receive?
 - What would you like to see on the website?
- Laura: Investigate forum options for keeping touch.
- Jeremy: Draft a Best Practice Document relating to the conduct of image analysts and publishing of image analysis research in journals.
<https://hackmd.io/Q3PGFYNLR-ywzS338NBMeQ>
- Next meeting in person (~October in Edinburgh). RMS funded?

Future Actions

Generate questionnaire for UK:

- "It would be great if microscopy facility staff could go to their administration and say, "it is common for institutions to subsidize an image analyst at NN%". Do you know of any surveys or studies on this topic planned?" Anne Carpenter

Next meeting of the IAFIG-RMS:

- October, Edinburgh??

AOB

- Any additional points to be raised.
